Thursday	06 July 2023	NIT	Network fundamentals	Install VOIP system
Friday	07 July 2023	NIT	Applied Physics (Apply General Physics)	Apply electronic fundamentals
<b>22. MANUFACTURING TECHNOLOGY (MAT)</b>				
Friday	23 June 2023	MAT	Aluminium Profile Assembling	Entrepreneurship (Create a Business)
Monday	26 June 2023	MAT	Basic Technical Drawing	Smaw on Mild Steel
Tuesday	27 June 2023	MAT	Bending Operations	Ikinyarwanda (Gukoresha Ikinyarwanda kiboneye)
Wednesday	28 June 2023	MAT	Rolling Operations	Drilling Machine Operations
Friday	30 June 2023	MAT	Oxy-Acetylene Gas Welding on Mild Steel	English (Communicate simply using English in familiar situations)
Wednesday	05 July 2023	MAT	Applied Mathematics (Apply Algebra and Trigonometry)	Metal Cutting
Thursday	06 July 2023	MAT	Applied Chemistry (Demonstrate Basics of Chemistry)	Applied Biology (Demonstrate basic knowledge of General Biology)
Friday	07 July 2023	MAT	Applied Physics (Apply General Physics)	Mechanical Fastening
Monday	10 July 2023	MAT	Basic Casting	Bench Work

<b>23. MINING TECHNOLOGY (MNT)</b>				
Friday	23 June 2023	MNT	Mine Blasting	Entrepreneurship (Create a Business)
Monday	26 June 2023	MNT	Mine Drilling	Ore /Waste Transportation
Tuesday	27 June 2023	MNT	Railway Installation	Ikinyarwanda (Gukoresha Ikinyarwanda kiboneye)
Wednesday	28 June 2023	MNT	Dealing with Emergency cases	Winch and Hoist Operation
Friday	30 June 2023	MNT	Minor Maintenance	English (Communicate simply using English in familiar situations)
Wednesday	05 July 2023	MNT	Applied mathematics (Apply fundamental algebra and trigonometry)	Loading and Offloading
Thursday	06 July 2023	MNT	Applied Chemistry (Demonstrate Basics of Chemistry)	Applied Biology (Demonstrate basic knowledge of General Biology)
Friday	07 July 2023	MNT	Applied Physics (Apply General Physics)	Using and Handling Mining Tools and Equipment
Monday	10 July 2023	MNT	Overburden Removal	Safety and Security Assessment at the Mining Site
<b>24. ELECTRICAL TECHNOLOGY (ELT)</b>				
Friday	23 June 2023	ELT	Automatic electrical switches and detectors installation	Entrepreneurship (Create a Business)
Monday	26 June 2023	ELT	Photo-voltaic home system installation	Domestic electrical drawing
Tuesday	27 June 2023	ELT	Electrical and electronics fundamentals	Ikinyarwanda (Gukoresha Ikinyarwanda kiboneye)
Wednesday	28 June 2023	ELT	Domestic Electrical Maintenance	Power protection system installation
Friday	30 June 2023	ELT	Electrical lighting and power sockets installation	English (Communicate simply using English in familiar situations)
Wednesday	05 July 2023	ELT	Applied Mathematics (Apply Algebra and Trigonometry)	Bench Work Applied to Domestic Electricity
Thursday	06 July 2023	ELT	Applied Chemistry (Demonstrate basics of Chemistry)	
Friday	07 July 2023	ELT	Applied Physics (Apply General Physics)	

<b>25. RENEWABLE ENERGY (REN)</b>				
Friday	23 June 2023	REN	Photo Voltaic Home system installation	Entrepreneurship (Create a Business)
Monday	26 June 2023	REN	Bench work applied to domestic electricity	Domestic electrical drawing
Tuesday	27 June 2023	REN	Basic domestic plumbing	Ikinyarwanda (Gukoresha Ikinyarwanda kiboneye)
Wednesday	28 June 2023	REN	Electrical and electronics fundamentals	Briquette making
Friday	30 June 2023	REN	Solar water heater installation	English (Communicate simply using English in familiar situations)
Wednesday	05 July 2023	REN	Applied Mathematics (Apply Algebra and Trigonometry)	Basics construction skills
Thursday	06 July 2023	REN	Applied Chemistry (Demonstrate basics of Chemistry)	Improved cooking stove
Friday	07 July 2023	REN	Applied Physics (Apply General Physics)	Protection system installation
Monday	10 July 2023	REN	Electrical lighting and power socket installation	
<b>26. ELECTRONICS AND TELECOMMUNICATION (ETE)</b>				
Friday	23 June 2023	ETE	C programming fundamentals	Entrepreneurship (Create a Business)
Monday	26 June 2023	ETE	Basics of electricity	
Tuesday	27 June 2023	ETE	Fundamentals electronics	Ikinyarwanda (Gukoresha Ikinyarwanda kiboneye)
Wednesday	28 June 2023	ETE	Consumer electronic equipment repair	Video system installation
Friday	30 June 2023	ETE	Telecommunication reception system	Sound system installation
Wednesday	05 July 2023	ETE	Applied Mathematics (Apply Algebra and Trigonometry)	Telecommunication systems fundamentals
Thursday	06 July 2023	ETE	Applied Chemistry (Demonstrate basics of Chemistry)	Mobile Phone Hardware repair
Friday	07 July 2023	ETE	Applied Physics (Apply General Physics)	

<b>27. AUTOMOBILE TECHNOLOGY (AUT)</b>				
Friday	23 June 2023	AUT	Basic Automotive Electricity and Electronics	Entrepreneurship (Create a Business)
Monday	26 June 2023	AUT	Basic Technical Drawing	Automotive Engine repairing
Tuesday	27 June 2023	AUT	Car Body Work (Panel beating, panel protection, panel painting)	Ikinyarwanda (Gukoresha Ikinyarwanda kiboneye)
Wednesday	28 June 2023	AUT	Engine supercharging system repairing	English (Communicate simply using English in familiar situations)
Friday	30 June 2023	AUT	Engine Exhausts System repairing	Engine Lubricating System repairing
Wednesday	05 July 2023	AUT	Applied Mathematics (Apply Algebra and Trigonometry)	Engine cooling system repairing
Thursday	06 July 2023	AUT	Applied Chemistry (Demonstrate basics of Chemistry)	Engine Fuel Supply System repairing
Friday	07 July 2023	AUT	Wheel and Tire repairing (Wheel&Tyre repairing, and Wheel balancing)	Bench work
Monday	10 July 2023	AUT	Basic Welding to automobile	
<b>28. PUBLIC WORKS (PWO)</b>				
Friday	23 June 2023	PWO	Basic technical drawing application	Entrepreneurship (Create a Business)
Monday	26 June 2023	PWO	Drainage structures construction	Road signs, road marking and crush barriers
Tuesday	27 June 2023	PWO	Public work hygiene and safety precautions	Ikinyarwanda (Gukoresha Ikinyarwanda kiboneye)
Wednesday	28 June 2023	PWO	Public works resources	Field excavation works
Friday	30 June 2023	PWO	Unpaved road construction	English (Communicate simply using English in familiar situations)
Wednesday	05 July 2023	PWO	Applied Mathematics (Apply Algebra and Trigonometry)	Unpaved road maintenance
Thursday	06 July 2023	PWO	Applied Chemistry (Demonstrate Basics of Chemistry)	Retaining wall construction
Friday	07 July 2023	PWO	Applied Physics (Apply General Physics)	Masonry works
Monday	10 July 2023	PWO	Road alignment setting	Field work excavation
Tuesday	11 July 2023	PWO	Road signs, marking and crush barriers	

<b>29. SOFTWARE PROGRAMMING AND EMBEDDED SYSTEMS (SPE)</b>				
Friday	23 June 2023	SPE	Applied Mathematics I	
Monday	26 June 2023	SPE	Applied Physics (Apply General Physics)	
Tuesday	27 June 2023	SPE	Graphic user interface design	Embedded Systems Hardware Design
Wednesday	28 June 2023	SPE	Development of web user interface	
Friday	30 June 2023	SPE	Basics of database development	Upper Intermediate Technical English
Wednesday	05 July 2023	SPE	Programming Fundamentals using C	Networking Fundamentals
Thursday	06 July 2023	SPE	Web application development using JavaScript	
Friday	07 July 2023	SPE	Web application development using PHP	
<b>30. LEATHER TECHNOLOGY (LET)</b>				
Friday	23 June 2023	LET	Technical Drawing	Entrepreneurship (Create a Business)
Monday	26 June 2023	LET	Basics of leather processing	Adults and children's sandal making
Tuesday	27 June 2023	LET	Basic Notion of leather manufacturing	Ikinyarwanda (Gukoresha Ikinyarwanda kiboneye)
Wednesday	28 June 2023	LET	Assembly leather components	Belt fabrication
Friday	30 June 2023	LET	Leather hand tools, materials and equipment	English (Communicate simply using English in familiar situations)
Wednesday	05 July 2023	LET	Applied Mathematics (Apply Algebra and Trigonometry)	Français (Pratiquer l'activité de communication en français dans le métier)
Thursday	06 July 2023	LET	Applied Chemistry (Demonstrate Basics of Chemistry)	Applied Biology (Demonstrate basic knowledge of General Biology)
Friday	07 July 2023	LET	Applied Physics (Apply General Physics)	Kiswahili Wastani (Kutumia Kiswahili Wastani)
Monday	10 July 2023	LET	Basic stitching operations	

<b>31. AUTO-ENGINE TECHNOLOGY (AET)</b>				
Friday	23 June 2023	AET	Fundamental automotive science	Entrepreneurship (Create a Business)
Monday	26 June 2023	AET	Technical Drawing	Automotive Engine Overhauling
Tuesday	27 June 2023	AET	Cost estimation	Ikinyarwanda (Gukoresha Ikinyarwanda kiboneye)
Wednesday	28 June 2023	AET	Engine maintenance	English (Communicate simply using English in familiar situations)
Friday	30 June 2023	AET	Engine Exhausts System repairing	Lubrication System repairing
Wednesday	05 July 2023	AET	Applied Mathematics (Algebra and Trigonometry)	Cooling system repairing
Thursday	06 July 2023	AET	Basic Chemistry	Automotive Engine Fuel Supply System repairing
Friday	07 July 2023	AET	General Physics	Battery Service
Monday	10 July 2023	AET	Wheel and Tire repairing	Air Conditioning maintenance
Tuesday	11 July 2023	AET	Steering and Brake Systems maintenance	Drivetrain Maintenance

## END OF TERM THREE EXAMINATION TIMETABLE - RQF LEVEL 4 SCHOOL YEAR 2022-2023

Day	Date	Trade Code	Morning session (8.30 am-11.30 am)	Afternoon session (2.00pm - 5.00pm)
<b>01. CROP PRODUCTION (CPR)</b>				
Friday	23 June 2023	CPR	Field Plant Pests and Diseases Identification	Business Plan Development
Monday	26 June 2023	CPR	Basic knowledge of soil science	Agriculture warehouse
Tuesday	27 June 2023	CPR	Cereals growing	Ikinyarwanda cy'Umunyamwuga
Wednesday	28 June 2023	CPR	Fruits growing	Seed multiplication
Friday	30 June 2023	CPR	Mushroom growing	Intermediate Workplace English
Wednesday	05 July 2023	CPR	Fundamental Mathematical Analysis	
Thursday	06 July 2023	CPR	Introduction to Organic Chemistry	General Biology
Friday	07 July 2023	CPR	Mechanics and properties of matter	

<b>02. FOOD PROCESSING (FOP)</b>				
Friday	23 June 2023	FOP	Process roots and tubers into flour	Business Plan Development
Monday	26 June 2023	FOP	Fermented Milk making	Tomato paste and ketchup Making
Tuesday	27 June 2023	FOP	Pasteurized and UHT milk Processing	Ikinyarwanda cy'Umunyamwuga
Wednesday	28 June 2023	FOP	Make cream and Butter	Urwagwa Making
Friday	30 June 2023	FOP	Cheese Making	Intermediate Workplace English
Wednesday	05 July 2023	FOP	Fundamental Mathematical Analysis	Process soybeans into soymilk and tofu
Thursday	06 July 2023	FOP	Introduction to Organic Chemistry	General Biology
Friday	07 July 2023	FOP	Mechanics and Waves	Bread Making
Monday	10 July 2023	FOP	Chilli products Making	Process roots and tubers into starch
<b>03. FORESTRY (FOR)</b>				
Friday	23 June 2023	FOR	Basic knowledge on soil science	Business Plan Development
Monday	26 June 2023	FOR	Technical drawing	Pest and disease control techniques
Tuesday	27 June 2023	FOR	Forest preservation	Ikinyarwanda cy'Umunyamwuga
