Mayor of District (All)
District Executive Administrator (All)

Dear Madam / Sir,

Re: Invitation of Lower Primary Teachers to training on Holiday Remedial Program

In classrooms, students often progress at different rates, necessitating various educational strategies to help those who are behind. In Rwanda, remedial education intends to support students who are struggling. This approach is crucial as it provides the necessary aid for academic success, with evidence showing improvement in learning outcomes.

While lower primary pupils in some schools do not meet grade-level proficiency, the Ministry of Education, in collaboration with Rwanda Basic Education Board (REB) and National Examinations and School Inspection Authority (NESA) is planning teaching-learning holiday remedial activities for those learners who were recommended to undertake holiday remedial program.

From this background, therefore, Rwanda Basic Education Board (REB) invites lower primary school teachers of Mathematics, Kinyarwanda, and English subjects from the district under your leadership to attend a training on remedial strategies, scheduled from **24th to 27th July 2024**. Invited teachers are requested to come with laptops and school leaders are requested to facilitate these teachers to receive laptops. REB-SPIU will cover all costs related to this activity. You will find attached herewith the list of teachers as well as respective training centers.

For additional information, please contact **Mr. KIMENYI Angelo**, Pedagogy and Remedial Specialist at REB on Tel: **0786554862** or via E-mail: akimenyi@reb.rw or **Mr. MURASIRA Gerard**, Director of Teacher Training Unit at REB on Tel: **0788625992** or via E-mail: gmurasira@reb.rw.

Yours sincerely,

Dr. MBARUSHIMANA Nelson
Director General
