- a) To encourage students to read more**
- b) To discourage students from reading**
- c) To provide a reward for students who read less**

Answer: a) To encourage students to read more

31. What is the difference between a fiction book and a biography?

- a) Fiction books are made up stories, while biographies are true stories**
- b) Fiction books are true stories, while biographies are made up stories**
- c) Fiction books are written for adults, while biographies are written for children**

Answer: a) Fiction books are made up stories, while biographies are true stories

32. What is the purpose of a reading level?

- a) To provide a way to measure a student's reading ability**
- b) To make it difficult for students to read**
- c) To provide a way to measure a student's writing ability**

Answer: a) To provide a way to measure a student's reading ability

33. What is the difference between a picture book and a chapter book?

- a) Picture books are longer than chapter books**
- b) Picture books have more illustrations than chapter books**
- c) Picture books are written for adults, while chapter books are written for children**

Answer: b) Picture books have more illustrations than chapter books

34. What is the purpose of a book series?

- a) To provide a way to continue a story over multiple books**
- b) To provide a way to confuse readers**
- c) To provide a way to end a story in one book**

Answer: a) To provide a way to continue a story over multiple books

35. What is the difference between a graphic novel and a traditional novel?

- a) Graphic novels have more text than traditional novels**
- b) Graphic novels have more illustrations than traditional novels**
- c) Graphic novels are written for adults, while traditional novels are written for children**

Answer: b) Graphic novels have more illustrations than traditional novels

36. What is the purpose of a book club?

- a) To provide a way for students to discuss books**
- b) To make it difficult for students to read**
- c) To provide a way for students to socialize**

Answer: a) To provide a way for students to discuss books

37. What is the purpose of a library display?

- a) To highlight a specific topic or theme**
- b) To hide books from students**
- c) To make it difficult for students to find books**

Answer: a) To highlight a specific topic or theme

38. What is the purpose of a library newsletter?

- a) To provide information about the library's services and resources**
- b) To provide a place for students to play games**
- c) To provide a place for students to socialize**

Answer: a) To provide information about the library's services and resources

39. What is the purpose of a library blog?

- a) To provide information about the library's services and resources**
- b) To provide a place for students to play games**
- c) To provide a place for students to socialize**

Answer: a) To provide information about the library's services and resources

40. What is the purpose of a library event?

- a) To provide a way for students to learn and have fun**
- b) To make it difficult for students to use the library**
- c) To provide a way for students to socialize**

Answer: a) To provide a way for students to learn and have fun

41. What is the purpose of a library volunteer program?

- a) To provide a way for students to gain experience and give back to the community**
- b) To make it difficult for students to use the library**
- c) To provide a way for students to socialize**

Answer: a) To provide a way for students to gain experience and give back to the community

42. What is the purpose of a library makerspace?

- a) To provide a place for students to create and experiment with technology**
- b) To make it difficult for students to use the library**
- c) To provide a place for students to socialize**

Answer: a) To provide a place for students to create and experiment with technology

43. What is the purpose of a library outreach program?

- a) To provide library services and resources to those who cannot visit the library**
- b) To make it difficult for students to use the library**
- c) To provide a way for students to socialize**

Answer: a) To provide library services and resources to those who cannot visit the library

44. What is the purpose of a library book fair?

- a) To provide a way for students to purchase books and support the library**
- b) To make it difficult for students to use the library**

c) To provide a way for students to socialize

Answer: a) To provide a way for students to purchase books and support the library

45. What is the purpose of a library book swap?

a) To provide a way for students to exchange books they have already read

b) To make it difficult for students to use the library

c) To provide a way for students to socialize

Answer: a) To provide a way for students to exchange books they have already read

46. What is the purpose of a library book club for teachers?

a) To provide a way for teachers to discuss books and share ideas

b) To make it difficult for teachers to use the library

c) To provide a way for teachers to socialize

Answer: a) To provide a way for teachers to discuss books and share ideas

47. What is the purpose of a library book club for parents?

a) To provide a way for parents to discuss books and support their child's reading

b) To make it difficult for parents to use the library

c) To provide a way for parents to socialize

Answer: a) To provide a way for parents to discuss books and support their child's reading

48. What is the purpose of a library book club for students?

a) To provide a way for students to discuss books and share ideas

b) To make it difficult for students to use the library

c) To provide a way for students to socialize

Answer: a) To provide a way for students to discuss books and share ideas

49. What is the purpose of a library book club for seniors?

a) To provide a way for seniors to discuss books and share ideas

b) To make it difficult for seniors to use the library

c) To provide a way for seniors to socialize

Answer: a) To provide a way for seniors to discuss books and share ideas

50. What is the purpose of a library book club for community members?

a) To provide a way for community members to discuss books and share ideas

c) To provide access to information and resources

Answer: c) To provide access to information and resources

3. What is the term for the process of organizing and arranging books in a library?

a) Cataloging

b) Shelving

c) Circulation

Answer: a) Cataloging

4. What is the purpose of cataloging books in a library?

a) To make it easier to find books

b) To keep track of the number of books

c) To determine the value of the books

Answer: a) To make it easier to find books

5. What is the role of a reference librarian?

a) To check books in and out

b) To help patrons find information

c) To repair damaged books

Answer: b) To help patrons find information

6. What is the difference between a library assistant and a librarian?

a) A library assistant has more education

b) A librarian has more responsibilities

c) There is no difference

Answer: b) A librarian has more responsibilities

- a) To read stories to children
- b) To help children find books and resources
- c) To manage the children's section of the library

Answer: b) To help children find books and resources

8. What is the purpose of a library's circulation desk?

- a) To check books in and out
- b) To manage the budget
- c) To catalog books

Answer: a) To check books in and out

9. What is the role of a technical services librarian?

- a) To provide reference services
- b) To manage the library's website
- c) To manage the library's collection

Answer: c) To manage the library's collection

10. What is the purpose of a library's interlibrary loan service?

- a) To allow patrons to borrow books from other libraries
- b) To allow patrons to donate books to the library
- c) To allow patrons to reserve books in advance

Answer: a) To allow patrons to borrow books from other libraries

11. What is the role of a cataloging librarian?

- a) To provide reference services
- b) To manage the library's website
- c) To organize and classify library materials

Answer: c) To organize and classify library materials

12. What is the purpose of a library's reserve desk?

- a) To allow patrons to reserve books in advance
- b) To manage the library's budget
- c) To provide reference services

Answer: a) To allow patrons to reserve books in advance

13. What is the role of a circulation librarian?

- a) To manage the library's budget
- b) To check books in and out
- c) To provide reference services

Answer: b) To check books in and out

14. What is the purpose of a library's reference desk?

- a) To provide reference services
- b) To manage the library's budget
- c) To catalog books

Answer: a) To provide reference services

15. What is the role of a collection development librarian?

- a) To manage the library's collection
- b) To provide reference services
- c) To manage the library's website

Answer: a) To manage the library's collection

16. What is the purpose of a library's computer lab?

- a) To provide access to computers and technology
- b) To manage the library's budget
- c) To catalog books

Answer: a) To provide access to computers and technology

17. What is the role of a library director?

- a) To manage the library's budget
- b) To oversee all aspects of the library's operations
- c) To provide reference services

Answer: b) To oversee all aspects of the library's operations

18. What is the purpose of a library's periodicals section?

- a) To provide access to newspapers and magazines
- b) To catalog books
- c) To manage the library's budget

Answer: a) To provide access to newspapers and magazines

19. What is the role of a library's outreach librarian?

- a) To provide reference services
- b) To manage the library's website
- c) To promote the library and its services to the community

Answer: c) To promote the library and its services to the community

20. What is the purpose of a library's microfilm/microfiche collection?

- a) To provide access to historical documents and newspapers
- b) To manage the library's budget
- c) To catalog books

Answer: a) To provide access to historical documents and newspapers

21. What is the role of a library's acquisitions librarian?

- a) To manage the library's budget
- b) To provide reference services
- c) To purchase and acquire library materials

Answer: c) To purchase and acquire library materials

22. What is the purpose of a library's audiovisual section?

- a) To provide access to music, movies, and other media
- b) To manage the library's budget
- c) To catalog books

Answer: a) To provide access to music, movies, and other media

23. What is the role of a library's cataloger?

- a) To manage the library's website
- b) To catalog books
- c) To provide reference services

Answer: b) To catalog books

24. What is the purpose of a library's special collections department?

- a) To provide access to rare and unique materials
- b) To manage the library's budget
- c) To catalog books

Answer: a) To provide access to rare and unique materials

25. What is the role of a library's archivist?

- a) To manage the library's website
- b) To preserve and organize historical materials
- c) To provide reference services

Answer: b) To preserve and organize historical materials

26. What is the purpose of a library's map collection?

- a) To provide access to maps and atlases
- b) To manage the library's budget
- c) To catalog books

Answer: a) To provide access to maps and atlases

27. What is the role of a library's government documents librarian?

- a) To manage the library's website

- b) To provide access to government publications
- c) To provide reference services

Answer: b) To provide access to government publications

28. What is the purpose of a library's rare book room?

- a) To provide access to rare and valuable books
- b) To manage the library's budget
- c) To catalog books

Answer: a) To provide access to rare and valuable books

29. What is the role of a library's digital services librarian?

- a) To manage the library's website and digital resources
- b) To provide reference services
- c) To manage the library's budget

Answer: a) To manage the library's website and digital resources

30. What is the purpose of a library's genealogy section?

- a) To provide access to genealogical resources and records
- b) To manage the library's budget
- c) To catalog books

Answer: a) To provide access to genealogical resources and records

31. What is the role of a library's preservation librarian?

- a) To manage the library's budget
- b) To preserve and maintain library materials

c) To provide reference services

Answer: b) To preserve and maintain library materials

32. What is the purpose of a library's bookmobile service?

a) To bring library services to communities without a library

b) To manage the library's budget

c) To catalog books

Answer: a) To bring library services to communities without a library

33. What is the role of a library's systems librarian?

a) To manage the library's website and technology

b) To provide reference services

c) To manage the library's budget

Answer: a) To manage the library's website and technology

34. What is the purpose of a library's open access section?

a) To provide access to scholarly and research materials

b) To manage the library's budget

c) To catalog books

Answer: a) To provide access to scholarly and research materials

35. What is the role of a library's metadata librarian?

a) To manage the library's website

b) To provide reference services

c) To create and manage metadata for library materials

Answer: c) To create and manage metadata for library materials

36. What is the purpose of a library's maker space?

- a) To provide access to tools and technology for creative projects
- b) To manage the library's budget
- c) To catalog books

Answer: a) To provide access to tools and technology for creative projects

37. What is the role of a library's instructional services librarian?

- a) To manage the library's website
- b) To provide reference services
- c) To provide instruction and training on library resources and technology

Answer: c) To provide instruction and training on library resources and technology

38. What is the purpose of a library's virtual reference desk?

- a) To provide reference services online
- b) To manage the library's budget
- c) To catalog books

Answer: a) To provide reference services online

39. What is the role of a library's metadata specialist?

- a) To manage the library's website
- b) To provide reference services
- c) To create and manage metadata for library materials

Answer: c) To create and manage metadata for library materials

40. What is the purpose of a library's e-book collection?

- a) To provide access to digital books and resources
- b) To manage the library's budget
- c) To catalog books

Answer: a) To provide access to digital books and resources

41. What is the role of a library's systems administrator?

- a) To manage the library's website and technology
- b) To provide reference services
- c) To manage the library's budget

Answer: a) To manage the library's website and technology

42. What is the purpose of a library's discovery service?

- a) To provide a single search interface for library resources
- b) To manage the library's budget
- c) To catalog books

Answer: a) To provide a single search interface for library resources

43. What is the role of a library's data services librarian?

- a) To manage the library's website
- b) To provide reference services
- c) To provide support for data management and analysis

Answer: c) To provide support for data management and analysis

44. What is the purpose of a library's institutional repository?

- a) To provide access to scholarly and research materials produced by the institution
- b) To manage the library's budget
- c) To catalog books

Answer: a) To provide access to scholarly and research materials produced by the institution

45. What is the role of a library's research services librarian?

- a) To manage the library's website
- b) To provide reference services
- c) To provide support for research and scholarship

Answer: c) To provide support for research and scholarship

46. What is the purpose of a library's digital preservation program?

- a) To preserve and protect digital materials for future use
- b) To manage the library's budget
- c) To catalog books

Answer: a) To preserve and protect digital materials for future use

47. What is the role of a library's assessment librarian?

- a) To manage the library's website
- b) To provide reference services
- c) To collect and analyze data to improve library services

Answer: c) To collect and analyze data to improve library services

48. What is the purpose of a library's copyright services?

- a) To provide guidance and support on copyright issues
- b) To manage the library's budget
- c) To catalog books

Answer: a) To provide guidance and support on copyright issues

49. What is the role of a library's data visualization specialist?

- a) To manage the library's website
- b) To provide reference services
- c) To create and design visual representations of data

Answer: c) To create and design visual representations of data

50. What is the purpose of a library's research data management service?

- a) To provide support for managing and sharing research data
- b) To manage the library's budget
- c) To catalog books

Answer: a) To provide support for managing and sharing research data

51. What is the role of a library's GIS specialist?

- a) To manage the library's website
- b) To provide reference services
- c) To provide support for geographic information systems and mapping

Answer: c) To provide support for geographic information systems and mapping

52. What is the purpose of a library's digital humanities program?

- a) To support research and scholarship in the digital humanities
- b) To manage the library's budget
- c) To catalog books

Answer: a) To support research and scholarship in the digital humanities

53. What is the role of a library's metadata analyst?

- a) To manage the library's website
- b) To provide reference services
- c) To analyze and improve metadata for library materials

Answer: c) To analyze and improve metadata for library materials

54. What is the purpose of a library's research commons?

- a) To provide space and resources for research and scholarship
- b) To manage the library's budget
- c) To catalog books

Answer: a) To provide space and resources for research and scholarship

55. What is the role of a library's data curation specialist?

- a) To manage the library's website
- b) To provide reference services
- c) To provide support for managing and preserving research data

Answer: c) To provide support for managing and preserving research data

56. What is the purpose of a library's digital scholarship center?

- a) To provide support for digital scholarship and research

- b) To manage the library's budget
- c) To catalog books

Answer: a) To provide support for digital scholarship and research

57. What is the role of a library's scholarly communication librarian?

- a) To manage the library's website
- b) To provide reference services
- c) To provide support for scholarly publishing and communication

Answer: c) To provide support for scholarly publishing and communication

58. What is the purpose of a library's data visualization lab?

- a) To provide space and resources for creating and designing visual representations of data
- b) To manage the library's budget
- c) To catalog books

Answer: a) To provide space and resources for creating and designing visual representations of data

59. What is the role of a library's digital initiatives librarian?

- a) To manage the library's website and digital projects
- b) To provide reference services
- c) To manage the library's budget

Answer: a) To manage the library's website and digital projects

60. What is the purpose of a library's data analysis center?

- a) To provide space and resources for data analysis and visualization
- b) To manage the library's budget

c) To catalog books

Answer: a) To provide space and resources for data analysis and visualization

61. What is the role of a library's digital preservation librarian?

- a) To manage the library's website
- b) To preserve and protect digital materials for future use
- c) To provide reference services

Answer: b) To preserve and protect digital materials for future use

62. What is the purpose of a library's data management plan service?

- a) To provide support for creating and implementing data management plans
- b) To manage the library's budget
- c) To catalog books

Answer: a) To provide support for creating and implementing data management plans

63. What is the role of a library's metadata coordinator?

- a) To manage the library's website
- b) To provide reference services
- c) To coordinate metadata creation and management across the library

Answer: c) To coordinate metadata creation and management across the library

64. What is the purpose of a library's digital repository?

- a) To provide access to digital materials produced by the institution
- b) To manage the library's budget
- c) To catalog books

Answer: a) To provide access to digital materials produced by the institution

65. What is the role of a library's data analyst?

- a) To manage the library's website
- b) To provide reference services
- c) To analyze and interpret library data

Answer: c) To analyze and interpret library data

66. What is the purpose of a library's data visualization studio?

- a) To provide space and resources for creating and designing visual representations of data
- b) To manage the library's budget
- c) To catalog books

Answer: a) To provide space and resources for creating and designing visual representations of data

67. What is the role of a library's digital archivist?

- a) To manage the library's website
- b) To preserve and organize digital materials for future use
- c) To provide reference services

Answer: b) To preserve and organize digital materials for future use

68. What is the purpose of a library's research commons?

- a) To provide space and resources for research and scholarship
- b) To manage the library's budget
- c) To catalog books

Answer: a) To provide space and resources for research and scholarship

69. What is the role of a library's metadata librarian?

- a) To manage the library's website
- b) To create and manage metadata for library materials
- c) To provide reference services

Answer: b) To create and manage metadata for library materials

70. What is the purpose of a library's digital humanities lab?

- a) To provide space and resources for digital scholarship and research in the humanities
- b) To manage the library's budget
- c) To catalog books

Answer: a) To provide space and resources for digital scholarship and research in the humanities

71. What is the role of a library's digital collections specialist?

- a) To manage the library's website
- b) To create and manage digital collections and archives
- c) To provide reference services

Answer: b) To create and manage digital collections and archives

72. What is the purpose of a library's research data center?

- a) To provide space and resources for managing and analyzing research data
- b) To manage the library's budget
- c) To catalog books

Answer: a) To provide space and resources for managing and analyzing research data

73. What is the role of a library's metadata librarian?

- a) To manage the library's website
- b) To create and manage metadata for library materials
- c) To provide reference services

Answer: b) To create and manage metadata for library materials

74. What is the purpose of a library's digital scholarship consortium?

- a) To collaborate with other institutions on digital scholarship and research projects
- b) To manage the library's budget
- c) To catalog books

Answer: a)

Physical condition of the books should be property maintained. This is known as

- (A) Collation.
- (B) Conservation
- (C) Shelf-arrangement
- (D) Organization

Answer: (B)

(C) 1980

(D) 1977

Answer: (A)

In how many ways switching system can be established?

(A) Two

(B) Three

(C) Five

(D) Seven

Answer: (B)

Which type of switching system is telephone network?

(A) Circuit switching

(B) Packet switching

(C) Message switching

(D) None of the above

Answer: (A)

Which of the following software is useful for word processing?

(A) DBASE

(B) LIBSYS

(C) WordStar

(D) CDS/ISIS

Answer: (C)

NICNET and INDONET are the networks of which category?

- (A) LAN
- (B) MAN
- (C) WAN
- (D) IN

Answer: (C)

What is a bug?

- (A) Computer Virus
- (B) Error in Computer Configuration
- (C) Error in a Programme
- (D) None of these

Answer: (C)

Which is not a programming language?

- (A) FORTRAN
- (B) BASIC
- (C) COBOL
- (D) ASCII

Answer: (D)

ISO-9960 is related with?

- (A) Standard for encoding data on CD-ROM

Librarian sample multiple choice prep by ERNEST 0723063139(whatsapp me if you want more)

- (B) Standard for Computer Hardware
- (C) Standard for Information Processing
- (D) Standard for Networking

Answer: (A)

ASCII has how many codes?

- (A) 256
- (B) 526
- (C) 265
- (D) 254

Answer: (A)

Raw, unevaluated, unprocessed and unorganized facts is known as:

- (A) Data
- (B) Information
- (C) Knowledge
- (D) Wisdom

Answer: (A)
